love? What do I love? I love people. I love innovators. Yeah. The Bay Area is like the epicenter of  
innovation. Yes, yes. I agree. What would you like to gain the most from this event? From this  
hackathon, particularly. Gain the most? Well, right now, I'm looking for a designer. Designer. Yeah,  
but it's hard to find here. Okay. But here, it's mostly developers. But yeah, anyone that may want to  
intern at Valtion or a full stack developer. Okay, great. Thank you so much."
