  "transcription": " Hello, what's your name? I'm Theo. Theo, what do you love? I really enjoy  
programming and software engineering. I really like that. I'm doing that pretty much of my week.  
Okay, great. What would you like to gain the most from today's event? I think make connections, like  
normal people. Yeah, and I'm really excited to see what people will build. So I'm really curious.  
Okay. There's some other cool shit."  
}
