  "transcription": " What do you love? Biology and driving, cars. Biology and cars. Biology and cars.  
Really fun. What would you love to gain out of this AGI house event? Hiring a software engineer.  
We've got money. A CTO, an elite engineer? We've got a CTO. Just a software engineer who knows  
NLP stuff. An NLP engineer is what you're mainly looking for? Yes. Okay, perfect."  
}
