    "transcription": " Please, what's your name? My name is Arush. Arush, what do you love? I love to build and I love to learn. Wow. What would you like to gain the most from today's event? To talk to people who are building on Grok. Okay. And learn about what they think Grok needs to do to be better and what we're doing well now. now. Okay, perfect. Thank you so much."
