Rohan Virmani

Computer Science @ UC Berkeley
San Francisco Bay Area

Summary

Currently looking for Fall 2024 Software Engineering internships or
FT work starting in 2025.

Github: https://github.com/rovirmani

I am Rohan Virmani, a student at The University of California,
Berkeley studying CS. My interests include Statistics, ML/AI,
and Systems. In my free time, I enjoy exploring archive fashion,
running, pickup basketball, bouldering, following sports/motorsports,
and exploring the outdoors. I am always looking to explore new
opportunities in the industry. Feel free to reach out if you are
interested in my work or just to chat in general at:

ro(dot)han(at)berkeley(dot)edu
